Relationship Report for Katie and Tom

LOVE CARDS 

How to get the most from this Relationship Report

The success of your relationship is never determined by your Birth Cards or your connections alone. Though some cards have it easier than others in this important area of life, ultimately it is each individual who holds the responsibility for the success or failure of their relationship. This report will act as a guide to help you achieve that success if that is what you truly want. Pay special attention to the affirmations listed for each connection in this report.

Welcome to your personal Love Cards report. The purpose of this report is to reveal as much information about you and your partner as possible, using an ancient and highly accurate system called The Book of Destiny. It is our hope that this report will enlighten you a little, and maybe even help you to make more powerful and happy choices in the areas of love and marriage. This report will explain many things about you, your partner, and how the two of you interact. However, in no way is this meant to tell you whether or not you will be successful as a couple. That success is always in your hands. No matter what connections you share, this relationship can be successful if both partners want it and are willing to commit to making it happen. However, you may discover herein just how easy or challenging that may be for the two of you.

Your Relationship Report consists of two separate parts. The first part is where you will find the description of each of your Birth Cards and Planetary Ruling Cards, if you have them. This section will reveal some of your personality traits, values, and other factors that make each of you who you are. You can get a basic feeling for each of you in this section and perhaps get a new perspective on who you are. This section may also reveal some of your relationship patterns - what sorts of people you are each attracted to, whether you are inclined to commitment or not, and other factors that may influence your love life.

Once you have learned something about each of you separately, you are ready to learn about how the two of you connect energetically. In the second part you will find out exactly what 'connections' you share with your partner that explain what each of you experiences when you are together. This is where you will find out what areas are easy or challenging for the two of you, what things you may like or dislike about your partner and why. Your connections explain how your relationship will be experienced by both of you. Some connections are good for sex, others for marriage, and others for working or business relationships.

This report was created with the intention of opening up doors of understanding and awareness. May your awareness grow and along with it, your understanding of your life and your happiness with it.

All about Katie`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The King of Hearts Person

The Father Card

Standing at the top of the suit of love, the King of Hearts recognizes that love is the highest power of all. These people make devoted parents, but not always the best spouses. Their devotion to their children and profession often displaces the love they would give their spouse. They do love everyone, forever, its true, but sometimes the wrong associations bring problems. They should be careful of mixing with people with lower motives and lifestyles in this regard.

These people can be overbearing, as all Kings can, but this is only the case when they have been betrayed by those they hold closest to their hearts. From past lives, they bring with them the knowledge of mastery of their emotions and of their family life. Consider yourself blessed if they consider you to be one of their 'family'.

The King of Hearts can excel in business, especially as a dealer or advisor in the finances of others. They have more success in association with others or in partnerships than alone. They have better than average luck in legal matters as well. It is not wise to argue with them. Their keen minds can always find a suitable response.

There are inevitable losses of loved ones in their lives but they know the truth and can let go though they still feel the pain. Many of them are mentally gifted and sometimes psychic. Much knowledge just flows to them and they use this to rise up to the top in their careers.

Some of the King of Hearts Issues Concerning Relationships

Many say that the King of Hearts makes a great lover and father but a lousy husband. As in all the Kings, the power can be used or abused. They are the 'Kings of Charm'. So, we find as many 'playboys' among them as in the case of the Eight of Hearts. The women have a problem in that they are so powerful

All about Katie`s Birth Card

and headstrong. They can usually stand up to any man and they would like to be the head of their household. This can be difficult for a male partner to deal with. When the female King of Hearts is upset, she can be very sharp tongued and all her mental power will be turned against you.

Their pattern indicates that there will be some fated relationships that occur to reflect back to them their own indecisive nature and the consequences of it.

All about Katie`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Two of Diamonds as Your Planetary Ruler

This ruling card gives you a lot of success with work and finances. You have an ability to find the right people to help you achieve your goals and you are not lazy. You are bound to have some very prosperous cycles in your life, much more than the average person. You have a keen and logical mind that you depend upon for much of your success. But in personal relationships, your logic is more of a hindrance than a help. An inner desire for love and affection competes with your natural ambition in work matters and it seems difficult to have satisfaction in both areas at the same time. In general, you would tend to focus more on your work, where it is easier to manage. Emotionally you have a lot of work to do. You must also watch out for some fixed principles about love or marriage that causes you to stay in bad relationships much longer than need be.

All about Katie`s Personality Card

Because your report includes connections using one of your Personality Cards, we have included a description of it here. Essentially, our Personality Cards are masks that we wear as we play certain roles in our life. They are not the 'real' us by any means. However, when we play their part, as we often do when we are in love, their importance becomes apparent as we inherit some of their qualities during that time period.

You become your Jack of Hearts Personality Card whenever you get romantically involved or when you act immature or childish. This card also represents you if and when you are involved in sales or artistic work of any kind. In either case, this card gives you creative and youthful energy that can bring success in some areas. The Jack of Hearts is also a very friendly and compassionate card and thus when you are acting through this card, you assume some of these qualities to a greater degree than usual.

The Jack of Hearts has some other distinguishing qualities that you should be aware of because each time you play the above mentioned roles, you assume all of the Jack of Hearts qualities. One of these is that of stubbornness and a fixed emotional nature. This could be detrimental to your love life or friendships if you are unaware of its operation in your closest relationships.

The other quality is that of sacrifice, one of the key words of the Jack of Hearts. This is a highly spiritual card that encourages us to do things for others, even to the extent of relinquishing our own desires. Don't be surprised if, while involved in either sales, creative or romantic pursuits, you find yourself doing things to help others in a more selfless way to the detriment of your own personal ambitions.

All about Tom`s Birth Card

Our Birth Card is our most important symbol of who we are in this lifetime. It is the card that we most identify with, and through which we have the greatest gifts to share with those around us. It is also called our Sun Card and our Soul Card.

The Queen of Diamonds Person

The Philanthropist Card

Like some other cards in the deck, the Queen of Diamonds has much indecision about values (Three of Diamonds Karma Card). This means that they often have difficulty deciding what they want the most. They love variety and are very creative and resourceful, unless they are worrying about money, which they often do. The Queen of Diamonds has expensive tastes. When they get money, they like to spend it on items of high quality and usually high price. For this reason, they often spend beyond their means and perpetuate their financial fears. Despite all of this, they are one of the most giving cards in the deck. They represent the rich aunt or grandmother that takes you shopping for some new clothes. All are philanthropic but they can be ruthless if crossed.

Queen of Diamonds are known to be charming and enjoy the finer things in life. They are constantly seeking new adventures and sometimes relationships as well. The Queen of Diamonds has an innate good business sense and the talent of being able to promote their products or services. They can excel in many areas and have good leadership abilities. Regardless of what they do, they are Queens and therefore tend to 'mother' or 'nurture' others in their work and lives.

They have a naturally critical mind that is capable of doing intense analysis and planning. However, this same mind can become negatively oriented when things don't turn out as they plan and then the Queen of Diamonds can become very negative and critical of others. They must practice a positive attitude to counterbalance this tendency.

If Queen of Diamonds people adopt a spiritual path in life, they can realize a special mission and achieve the heights of spiritual realization and self-mastery (Queen of Spades in Neptune). They also have a soul connection with many of the ancient sciences. A natural attraction to the ancient mysteries and secret knowledge promotes the study of the eternal truths which helps

All about Tom`s Birth Card

alleviate many of their mundane problems. If dedicated to a higher goal, there is no limit to how high they can climb in their lives. Some of the world's wealthiest people have been and are Queen of Diamonds.

Some of the Queen of Diamonds Issues Concerning Relationships

As mentioned earlier, the Queen of Diamonds has some of the most difficult challenges that exist in the area of love. Being headstrong and proud, fond of variety, afraid of being abandoned and having the power to get what they want when they want it can be a troublesome combination. Three or more marriages is common for this card and even when they seem happily settled down, it is usually only temporary. They are quite charming and have a bit of charisma that makes it easy for them to start new relationships. The challenge for them is sustaining the relationship once it is started. They usually get their wishes, for better or worse, and must live with the consequences of their desires.

All about Tom`s Planetary Ruling Card

The Planetary Ruling Card acts like a second Birth Card to give you a new slant on your personality and character traits. It is very important in terms of your personal relationships since it represents a part of you that you identify with strongly.

Ace of Diamonds as Your Planetary Ruler

This ruling card gives you a lot of passion for life, but especially for your job or for making money in general. As a matter of fact it may appear that your personal life is constantly competing with your work for your invaluable attention and time. It will be a trick to have both running successfully at the same time. You are basically a kind-hearted person who cares a lot about other people. But your ambition and drive also keeps your own goals in front of you and others may see you as selfishly motivated because of this. You do have much to accomplish in this lifetime, as if you have been given some special commission by the powers that be. Personal relationships will always be a bit of a challenge as you learn about love and personal integrity.

All about Tom`s Personality Card

Because your report includes connections using one of your Personality Cards, we have included a description of it here. Essentially, our Personality Cards are masks that we wear as we play certain roles in our life. They are not the 'real' us by any means. However, when we play their part, as we often do when we are in love, their importance becomes apparent as we inherit some of their qualities during that time period.

The Jack of Diamonds as one of your Personality Cards represents that part of you that is romantic, creative, artistic and youthful. If you are involved with sales work, this is also the card that represents you in that role. In that regard, it is one of the best cards in the deck. You could sell ice cubes to Eskimos, as it were.

This is the card that you act through whenever you are involved in a romantic relationship of any kind. When this is the case, the Jack of Diamonds gives you a very creative and resourceful mind that is very attractive to the opposite sex. You can be quite charming and witty with the aid of this creative card. It is also very playful and fun.

Having this Personality Card guarantees that you can also be successful in any of the previously mentioned 'creative' pursuits. It gives you a quick mind and the ability to come up with good ideas and answers when you need them. It also gives you a lot of creative financial expertise to your personality that can help you promote what you do and make a success of almost any business.

When you are acting through this card, you must understand that you also inherit some of the Jack of Diamond's less positive traits from time to time. These traits include being dishonest, untrustworthy, immature and crafty. It doesn't mean that you have to act out these negative traits, but they are always a potential with this card. If you find yourself exhibiting one or more of these qualities, or if you find someone telling you to 'grow up', it is probably that you are acting through the Jack of Diamonds in a big way, maybe even to the exclusion of your Birth Card.

All about the Love Connections you share

Look at each connection between you as a cosmic link that connects each of you to some part of yourself that you want to look at, develop or explore in some way. Your partner is your mirror into your own soul.

This report uses the most advanced techniques available to give some real insight into the inner workings of your relationship. Using the ancient system, now known as the Book of Destiny, it determines the energy 'connections' that reflect exactly how the two of you interact. These connections are essentially described as planetary energies, for example Mars or Venus. Some connections are harmonious, while others create certain kinds of friction or stress between you. All of the connections between you serve an important purpose and contribute to the experience that you share. Keep in mind that most connections have a higher expression and a lower one. The affirmations given for each connection indicate how to access the highest expression of each one.

The connections are listed in the order of their importance. The first connection is the most important and the second is the next important, etc. But even the last connection between you probably manifests itself in your experience together. Therefore, regard all of them as having some important information for you.

You may have only a few connections, two or three, or you may have as many as fourteen. Each couple has a unique number and kinds of connections - as unique as the love and feelings they share for each other.

Look to see if you have more than one kind of connection between you. For example, you may have a total of two or three Mars connections between you. When this is the case, you should study these connections carefully, realizing that this probably indicates some of the most important reasons that you are together and the issues that you most often face together.

Finally, there are no bad connections. If we are attracted to someone so much that we spend time with them, there are important reasons for this. The descriptions of the connections in this report can help you understand why you have made the choice to be together, which can in turn help each of you to understand your individual personalities and needs better. Of course, some connections indicate stress and challenge, but this is because we often use relationships as the vehicle through which we resolve our own inner conflicts. If the love is there, there are many good things for each of you to gain from being together.

The First Connection Between You

Katie

Tom

Your first connection is always considered the most important of all and, in most cases, will represent the dominant pattern that is your relationship. Study the connection described below carefully, as it may reveal some hidden opportunities for the two of you.

Katie is the Venus Card to Tom

Location: Life Spread

This is a wonderful connection for any kind of relationship and guarantees that Katie and Tom can be good friends at the very least. The fact is that they both have a lot in common. This gives them many things that they can share and do together. It is a wonderful sign of compatibility and adds a lot to the potential of this relationship to be successful.

In particular, Tom just adores Katie. Even though he may get mad at her at times or irritated by things she does or says, there is an underlying current of love that is always there that Tom can tap into and experience at any time. This essential compatibility helps them be 'friends first, everything else second' in their relationship. This 'friends first' attitude will help them when conflicts arise. It will allow them to let go of personal demands in order to be a friend to their partner. This can have a powerful positive effect on the relationship and allow them to resolve difficulties in a relatively short amount of time.

It is also very likely that Katie and Tom have a similar, if not the very same, set of values. This means that they give importance to similar things in life. They may have similar life goals or directions, or merely like the same kinds of pleasures.

This is also a pleasure aspect. Sexually, Katie and Tom should be very compatible. They will enjoy similar experiences and have similar likes and dislikes. This makes their time together more enjoyable and gives them many options and possibilities of things to do together.

Put all of this together and we can see that Katie and Tom have very good chances of success as a couple. Unless other connections between them conflict heavily, this one connection alone can be a guarantee of high compatibility. To get the most out of this connection, Katie and Tom only need to remind themselves from time to time of all the wonderful things they share and focus on those things.

Affirmation for Katie: I love being with Tom, with whom I have so much in

common, and enjoy being appreciated so much by him. I think we could spend our entire life together.

Affirmation for Tom: I appreciate all that Katie and I have in common. It is the many things that we share that make our life together so enjoyable. I tell Katie just how grateful I am for her presence in my life.

The Second Connection Between You

Katie

Tom

Tom is the Saturn Card to Katie
Location: Life Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Saturn has traditionally been known as the planet of hardship, coldness and difficulties of all kinds. And in fact there are some Saturn relationships in which these qualities predominate. However, there are many Saturn relationships that have other qualities, and in these we see the more positive aspects of Saturn's influence. We cannot predict exactly how this relationship between Tom and Katie will be affected by this connection because that will depend upon how consciously they choose to apply the energy of this connection. It can be very constructive or it can be difficult and depressing. So, here we will define some of the qualities more specifically so that it can be understood fully.

In this relationship Katie has somehow chosen Tom to be her teacher. Though this may not have been a completely conscious choice, it is so just the same. Tom, being her Saturn Card, will experience a natural inclination to help Katie by making suggestions for improving her life or career. Just having Tom in her life is a reminder to Katie of things she needs to do in order to make her life better than it is. A Saturn person teaches us how to be more responsible, grown-up, practical, disciplined, conscientious and fair. They will help us to become more aware of how our words and actions affect those around us. These lessons can result in Katie becoming more successful in her work, especially if she has strong career aspirations or goals of things she

The Second Connection Between You

Katie

Tom

wants to attain. On some level, Tom is a father figure to her and indeed he may remind Katie of her father in many ways.

Taken with a positive attitude, Katie may make great progress in her life by the presence of Tom. The closer this connection is to being the first connection in this relationship, the more important this relationship is for Katie in terms of what she needs to learn. The best possible attitude would be where Katie acknowledges Tom as her teacher. Not that she needs to give up her own thoughts or beliefs to Tom, but just that there are probably things that she can learn from him.

In extreme cases a person that is Saturn to us can be abusive. The other side of that coin is a person who inwardly hates who they are so much that they secretly desire to be abused, just as much as they abuse themselves already. In these cases, the Saturn person will be the mirror of our own self-hate and disrespect. Indeed, in these cases, the Saturn person is abusive, verbally and otherwise. The key then, is 'When do we stop being abused by the Saturn person?', or 'When do we start loving ourselves enough to attract someone more loving and considerate?' Our relationships are always a key to find out how we treat ourselves. We invariably choose someone who mirrors the way we feel about our self. Katie would do well to reflect on this if she finds Tom exhibiting any of the abusive forms of this Saturn energy.

The most positive Saturn relationships are those that help the partner achieve their dreams by aligning them with the hows and how-to's of success in the world. A Saturn partner can provide us with direction, understanding, coaching and wisdom - all of which can help us achieve our goals. The Saturn person can handle us. They can put us in our place, where other people may be unable to do so. Therefore we can develop a lot of trust and respect in them. And sometimes that is just what we need, someone to show us the boundaries and discipline us a little. If Katie is, or was, strongly attracted to Tom, then this is very likely the case.

Affirmation for Tom: I understand that I have the ability to see all of Katie's faults and shortcomings and share suggestions with her lovingly and with the

The Second Connection Between You

Katie

Tom

awareness that I have a powerful effect on her.

Affirmation for Katie: I realize that I chose this relationship with Tom to help me grow in important areas of my life. With that in mind, I accept his suggestions so that I may learn and make progress in becoming a successful and happy person.

The Third Connection Between You

Katie

Tom

Katie is the Venus Card to Tom

Location: Spiritual Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

This is one of those 'love at first sight' connections that is responsible for many successful marriages and friendships. This connection tells us that Katie and Tom have shared some past lives together. In at least one of those lives, they were involved in a long-term relationship into which they each had to put a lot of effort in order to maintain harmony and compatibility. In that lifetime, they developed a deep love and respect for each other, as well as trust. Now, when they meet in this lifetime, they almost immediately sense this other soul with whom they have shared so much. They may or may not actually enter into a committed relationship during this lifetime, but what matters most is that a love exists between them that was already there, which will remain forever more.

If they do decide to get together again, they have what few other couples have and that is a great head start. Because they have already worked out the mutual trust, respect and admiration for each other, they can immediately advance to a very compatible and harmonious life together. They may or may not actually have much in common. In this lifetime, the personalities that they have may be much different than before. Other connections, especially among the Planetary Ruling Cards, will reveal how their personalities actually interact in this lifetime. There are cases where the personality differences are so great that it becomes impractical for them to be together as a couple. The

The Third Connection Between You

Katie

Tom

love is there and it is strong, but their personal directions may be much different in the current lifetime. In those cases, the love is recognized and acknowledged, but never completely consummated.

This connection makes believers of those who doubt that love is forever. The fact that Katie and Tom have found each other is a sign of good fortune for both. These kinds of relationships only happen to those who have some purity of heart and who are aware enough to recognize the value of it. So, we can say that Katie and Tom have reached some high degree of loving in order to have found each other again. It is a good sign and a blessing. Hopefully they will be able to take this foundation of mutual love, respect and admiration and go forth to create a beautiful future for themselves.

Affirmation for Katie: It feels very right to be with Tom, with whom I share some kind of deep and timeless love. I appreciate his presence in my life and feel blessed by it.

Affirmation for Tom: I experience a love for Katie that is hard to describe, and yet feels very familiar and right. I sense that we have been together before and look forward to more time together to share this unique love that we have for each other.

The Fourth Connection Between You

Katie

Tom

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Tom is the Saturn Card to Katie

Location: Spiritual Spread

This connection tells us that Tom and Katie have some score to settle from a past life. There was some unfinished business that now has an opportunity to be resolved in this lifetime. This is especially true if Katie is strongly attracted to Tom. Now, in this lifetime, they can take up where they left off. The essential message of this connection is that Tom has something to teach Katie. That something could be one of many things. Lessons come in all shapes and sizes. Some are about relationship, some are about career or dealing with money. Others are about self-esteem, honesty, faithfulness, responsibility and fairness. We don't know which of these lessons are the ones being dealt with in this lifetime, but we do know that something important will be transferred in the course of this relationship.

It is likely that Tom and Katie felt a strong attraction when they first met, and even that they felt this sort of ease and familiarity that is associated with all of the past-life connections. There could have been great romantic feelings as well. However, this connection tells us that there is also a very practical side to this relationship, one in which Katie will be influenced by Tom to become more successful, responsible and practical. Tom could have even been Katie's father in a former lifetime - a lifetime in which his role as father didn't get the opportunity to be fully expressed. However, this is only one of the many ways this connection could have originated.

It is certain that there is some form of 'karmic debt' that is being paid off over the course of this relationship and it is noted that many relationships with Saturn connections last a long time. Sometimes, paying off this debt is the main reason for this relationship in the first place. Though other connections may describe various characteristics of their being together, this karmic repayment may be the most important reason that Tom and Katie are together. And keep in mind that the payment is being made from Tom to Katie, and that the payment is some sort of lesson about life. We must also keep in mind that Tom is just as much bound to pay this lesson as Katie is to receive it. This

The Fourth Connection Between You

Katie

Tom

relationship is important to both of them, but each for their individual reasons.

Relationships like these show us God's hand in motion. We see God's plan for us unfolding. If we pay attention, we can learn a lot about the ordered nature of our universe and reality. This relationship demonstrates how every cause has an effect, every effect has a cause, and how some of our relationships have a broader purpose than to just be in love or to raise a family. Saturnian energies are often difficult but this relationship does not have to be so. If there is a mutual feeling of growth and openness between Tom and Katie, this relationship can be experienced as a very positive influence for both of them, one that leads them to more productive and happy lives.

Affirmation for Tom: I understand that I have the ability to see all of Katie's faults and shortcomings and share suggestions with her lovingly and with the awareness that I have a powerful effect on her.

Affirmation for Katie: I realize that I chose this relationship with Tom to help me grow in important areas of my life. With that in mind, I accept his suggestions so that I may learn and make progress in becoming a successful and happy person.

The Fifth Connection Between You

Katie

Tom

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

Tom is the Cosmic Lesson Card to Katie

Location: Life Spread

This connection doesn't have a major impact on a relationship in a personal sense. Because it is one of the universal or cosmic connections, it has more to do with how this couple connect in relationship with the world around them. Specifically, Tom is a reminder to Katie of how she has, or could have, an important role to play in terms of helping mankind. This is about Katie's career and role in the world. If she is not career-minded at all, then Tom's influence may just have some implications about whatever role she is playing in her life, as seen by others. But, in some way, Tom's presence in her life is telling her that she should be doing this or that - essentially things that will both improve her life as well as help others through her contribution to them. In many cases, our Cosmic Lesson Card is a symbol of the kind of work that we could do that would be our own highest and best personal contribution to the world. This information could be very helpful for Katie if she is searching to find her purpose, or to decide what kind of work would best fit her. By studying our Cosmic Lesson Card, these sorts of things are revealed. The fact that Katie has attracted someone who is her Cosmic Lesson Card into her life is probably an indication that she is ready to achieve some of her potential, or that she will be lead to her rightful place, workwise, by Tom's influence in her life.

On a personal level, this connection doesn't usually manifest in any particular behavior patterns. The only discernable characteristic might be Tom's reminding Katie of her highest potential, or somehow offering suggestions that may help her career. However, Tom's presence in her life already serves as that reminder. He may even be involved in the kind of work that she aspires to, or may eventually become involved in. In other cases, it could be the way he does what he does that is a clue for Katie as to what it is that can benefit her career or direction.

Affirmation for Tom: My awareness of how I am a reminder to Katie of how

The Fifth Connection Between You

Katie

Tom

she can make a valuable contribution in this world reminds me that I am an important influence in her life. I wish only the best for her and hope that my influence is a positive one in her life.

Affirmation for Katie: I am grateful for the presence of Tom in my life. He reminds me of what I can do and become in a way that inspires me to my highest potential.

The Sixth Connection Between You

Katie

Tom

Tom is the Cosmic Lesson Card to Katie
Location: Spiritual Spread

Connections beyond the first decrease in strength and significance. Therefore, the second will be the next in importance, the third connection next, etc. But each new connection is slightly less significant than the one before it. Keep this in mind as you read their meanings.

From a past life of being together, Tom has returned to Katie in order to play an important role in her life. This role will help her find herself and her life's work if she is looking for these answers. This represents a karmic debt that Tom must repay in order to fulfill his own aspirations. Somehow, Tom will be able to help Katie realize her highest potential. At the least, Tom's presence in her life will act as a sign to point her in the right direction, a direction where Katie may fulfill her obligation to the world and make a valuable contribution through her efforts.

On a personal level, this connection has little, if any, influence. It may not affect the feelings they have for each other unless the subject of Katie's most important issues revolve around her purpose and career. In that case, Tom may find himself reminding her of how she can improve herself, or of what things she can do to get more success in the areas to which she is striving. If this happens, Katie may react with gratitude or with resistance, and this could play an impact on just how they get along with each other. The more important these issues are for Katie, the more this connection will affect the relationship. But, in most cases, the reminder is more of a subtle nature, and doesn't manifest in any sort of personal confrontation between the partners.

To the degree that Katie is aware of her own personal need to play some

The Sixth Connection Between You

Katie

Tom

important role in her life, she will find Tom to be a helpful influence in this regard. He may even be doing the kind of work that she is wanting to do, or is destined to do. They may be able to share this work. In other cases, Katie may not be career-minded at all and Tom merely serves to remind her of characteristics that will help her fulfill whatever roles she is playing in her life more effectively. There is definitely an implied student/teacher relationship here, though it is not necessary for either Tom or Katie to be aware of it. However, Tom's presence is a lesson to Katie on some level and the more she is aware of this, and then acts upon what she is receiving from him, the sooner Katie will elevate herself in respect to whatever roles she is playing in her life.

Affirmation for Tom: My awareness of how I am a reminder to Katie of how she can make a valuable contribution in this world reminds me that I am an important influence in her life. I wish only the best for her and hope that my influence is a positive one in her life.

Affirmation for Katie: I am grateful for the presence of Tom in my life. He reminds me of what I can do and become in a way that inspires me to my highest potential.

Tom is the Cosmic Reward Card to Katie

Location: Life Spread

This connection is often found between couples who are either successfully married or otherwise committed to being together. Our Cosmic Reward Card is often someone with whom we are destined to be with, usually later in our life. It doesn't have to be in the later years of our life, but usually, this is the time in our life when we have completed much of our own personal transformation and have gotten to know just what things and people make us the most happy. In this relationship, Tom is the Cosmic Reward, or Blessing, Card of Katie's. Therefore she is the one who is receiving this blessing and reward energy from Tom and this connection affects her the most.

Just how Katie will experience this connection will be directly affected by her attitude and the measure of her own consciousness about her life. If she is someone who has learned a lot about herself, both her gifts and her challenges, then she will probably experience Tom as an important blessing in her life that she derives much pleasure and happiness from. If, on the other hand, Katie is still getting to know herself and hasn't yet dealt with the challenges and changes that are represented by her Pluto Card in the Life Spread, she probably finds Tom to be a great challenge in her life, someone who seems to confront her often, or remind her of what she may become, but is not. It is important for Katie to become familiar with the meaning of her Pluto Card and how that represents some of the internal changes that she will have to make in this lifetime in order for her to fully understand her relationship with Tom. The Pluto and Cosmic Reward Card are closely related, one precedes the other. It is after we have met the challenge implied by our lifetime Pluto Card that our Cosmic Reward Card is able to manifest its fullest blessings in our life.

Tom is influenced by this connection in that he is encouraged to give of himself to Katie. He naturally wants to give to and share with Katie all of the things that he feels are blessings in his own life. This giving can help create a powerful bond of mutual generosity and appreciation between them, which can

become one of the foundations for a beautiful and long lasting marriage or other relationship. However, for this to happen, Katie must express the appreciation she feels for Tom's contribution. The Cosmic Reward connection implies that this may be more difficult to do if Katie is still wrestling with some of her own basic personal issues. However, she may sense the importance of Tom anyway and be acting on instinct in her attraction for him. It really doesn't matter in one way of looking at it - if Katie stays with Tom long enough, these blessings are guaranteed to show up and become a positive influence in their relationship. This is one of those connections that is like a fine wine - the older it is, the better it is.

In its highest expression, the Cosmic Reward connection can make us feel truly blessed by the universe and give us a sense that we are in the perfect place and time for our highest good. It can help us feel that everything is as it should be and that nothing that occurs in our life is without a perfect and loving purpose. We feel more connected to everything, especially the cosmic rhythm and timing of the universe and have experiences that remind us that we are blessed in every way. So, this is the potential for Katie in this relationship and for Tom as well if Katie allows these influences to be appreciated. And remember that with this connection, time is always on their side. The longer they remain together, the better it will be.

Affirmation for Tom: I am glad to be a blessing in Katie's life and hope that I can give her all that I have to give. I understand that she may be challenged by me at times and have compassion for this. I only wish the best for her.

Affirmation for Katie: I am grateful for the presence of Tom in my life. I accept all the good things that he brings into my life and respond with appreciation and gratitude. In this way I multiply my blessings.

Tom is the Moon Card to Katie

Location: Spiritual Spread

Of all the connections that exist among the cards in the deck, the Moon connection is probably the single most powerful one when it comes to decisions about long-term commitments. When someone is our Moon card, we feel very close and comfortable with them. When this connection is found in the Spiritual Spread, we feel even closer, and at the same time we sense that we have been together before. This is what we call an 'earned connection' in that it has a sense of familiarity to it that comes from having spent time together in a former lifetime. Couples who have this connection often experience instant recognition of each other, or love at first sight. Because they had been together before in a meaningful way, there is a certain sense of intimacy and emotional closeness when they meet, even if they have never seen each other before in this lifetime. This unexplainable sensation is one of the most attractive situations to those seeking a partner. It is not surprising how many people with this connection have gotten married, or at the least, had significant relationships together.

In this relationship, Tom is a Moon Card influence to Katie. His presence in Katie's life is like a healing balm that soothes her. He provides Katie with nurturing support and a sense of foundation, security, home and settledness. Katie, on the other hand, brings many good things into the life of Tom. She brings new ideas, fresh perspectives, new information, a broadening of experience and important direction for the relationship. Whether they realize it or not, Katie is the so-called 'leader' of this relationship. That is the nature of being the Sun Card in a Sun/Moon relationship.

When we envision the ideal male/female relationship, a symbol that comes to mind is the Sun and Moon. One rules the day, the other, the night. One is fire and the other water. Together they balance each other out and fulfill each other's vacant spots. The Sun warms the water (Moon) and the water cools the Sun. This is the most ideal connection for a couple who have these essential male and female qualities and nearly guarantees the success of

the relationship. Thus, it is not surprising how many successful marriages are based upon this important connection.

Keep in mind however, that this connection only supports partners who are willing to play the Sun and Moon roles. Some Sun/Moon relationships have ended because one or both of the partners was unwilling or unable to play the role dictated by this connection. What this means for this relationship is that if Tom is not willing to be the supportive, nurturing person in this relationship, or if he is unwilling to take the back seat to Katie in key situations, this relationship may not last. Likewise, if Katie is unwilling to provide leadership, perhaps because she doesn't have any clear direction for her life, then the same result is likely.

However, when two people become involved with this connection they are usually willing to play these roles. On a basic energy level, the roles are demanded of them. When Tom and Katie are harmonizing themselves with these roles, much happiness and satisfaction is the result. This is a relationship that could easily last a lifetime. There just is no better connection for compatibility and long-term harmony.

Affirmation for Tom: I am very grateful for Katie's presence in my life. She is a breath of fresh air that is always bringing me new and wonderful things. I love our communication together and enjoy being Katie's support person. It feels natural to give of myself in this way.

Affirmation for Katie: I am grateful for the presence of Tom in my life. I feel that I have found a perfect partner that supports me in the directions that I feel are important in my life. I appreciate all the wonderful things that he does for me and our easy and natural communications.

Katie is the Cosmic Lesson Card to Tom

Location: Spiritual Spread

From a past life of being together, Katie has returned to Tom in order to play an important role in his life. This role will help him find himself and his life's work if he is looking for these answers. This represents a karmic debt that Katie must repay in order to fulfill her own aspirations. Somehow, Katie will be able to help Tom realize his highest potential. At the least, Katie's presence in his life will act as a sign to point him in the right direction, a direction where Tom may fulfill his obligation to the world and make a valuable contribution through his efforts.

On a personal level, this connection has little, if any, influence. It may not affect the feelings they have for each other unless the subject of Tom's most important issues revolve around his purpose and career. In that case, Katie may find herself reminding him of how he can improve himself, or of what things he can do to get more success in the areas to which he is striving. If this happens, Tom may react with gratitude or with resistance, and this could play an impact on just how they get along with each other. The more important these issues are for Tom, the more this connection will affect the relationship. But, in most cases, the reminder is more of a subtle nature, and doesn't manifest in any sort of personal confrontation between the partners.

To the degree that Tom is aware of his own personal need to play some important role in his life, he will find Katie to be a helpful influence in this regard. She may even be doing the kind of work that he is wanting to do, or is destined to do. They may be able to share this work. In other cases, Tom may not be career-minded at all and Katie merely serves to remind him of characteristics that will help him fulfill whatever roles he is playing in his life more effectively. There is definitely an implied student/teacher relationship here, though it is not necessary for either Katie or Tom to be aware of it.
